About Us

Established in 1985.
We started as an editorial production company, but later began publishing in-house as well. We publish a wide range of books, including practical books, guidebooks, books that explain history in an easy-to-understand manner, and books for children.

MEGURI SERIES (GUIDE BOOK)

Shrines guide

Tokyo Jusha's Hidden Stories

After the war, to commemorate the 50th anniversary of the Showa Emperor's accession to the throne Ten shrines in Tokyo were designated as "Tokyo Jusha" to commemorate the 50th anniversary of Emperor Showa's accession to the throne, These shrines are deeply connected to the Emperor's family. The lecture will provide an opportunity to understand the details of these 10 shrines, and to ask questions such as: What are the Emperor and shrines, the relocation of the capital during the Meiji Restoration, and what are imperial festivals? The book is a travel guide to Tokyo, with detailed reading by religious scholar Hiromi Shimada, including the history of each shrine.
